

DURASOURCE

MATERIAL HANDLING SOLUTIONS

Defining DuraSource

DuraSource is your single source supplier for material handling products and solutions.

We offer **more than 6 million parts** for various makes and models of forklift trucks. Being the durable, reliable, dependable and all-encompassing solution for material handling products, we work hard to make sure your operations keep running smoothly.

At DuraSource we are committed to our customers and providing solutions that work best for you, so your business doesn't stop.

DuraSource Products

DuraSource has it all, from parts to keep your forklift trucks moving to products for your warehouse or distribution center.

Just ask, and we will deliver.

WE ARE THE SINGLE SOURCE SUPPLIER

- Over six million parts available
- Parts for every make and model, electric and I/C, including:
 - Wheels and Tires
 - Motors and Drive Units
 - Electric and Hydraulic Components
 - Accessories
 - Exclusive Parts
 - Tools, Maintenance and Shop Supplies
 - Racking and Warehouse Products

Why Choose DuraSource?

Because we work with you to ensure you have all the parts you need to help your business keep moving.

From parts for an electric truck or an I/C truck, to tools for your service technicians and cleaning products, we make sure your facility remains stocked and ready by offering the material handling products needed to meet all of your business requests.

Exceeding customer expectations isn't just our mission, it's our goal. With quick, on-time delivery, DuraSource is the winning solution for your material handling products.

DuraSource Locations

We are conveniently located close to you with more than 200 locations across North America and around the world.

We're able to reply to you in no time.

We are available anytime. 24 hours a day, 7 days a week, with on hand availability ensuring maximum uptime for your business.

Because business never stops and neither do we.

 **24 / 7 SUPPORT**

The Ease of Doing Business with DuraSource

Numerous suppliers often complicate ordering parts and supplies. DuraSource simplifies the ordering process by being your single source supplier. Whether you need electrical components, new or rebuilt motors, lighting, hydraulic components, shop supplies, wheels, tires or other material handling products, look no further than DuraSource. We'll even locate the hard-to-get parts and expedite them to your site. Plus, choosing DuraSource means working with local sales and service professionals who understand your unique requirements.

We dedicate ourselves to providing complete customer support, from start to finish to exceed customer expectations!

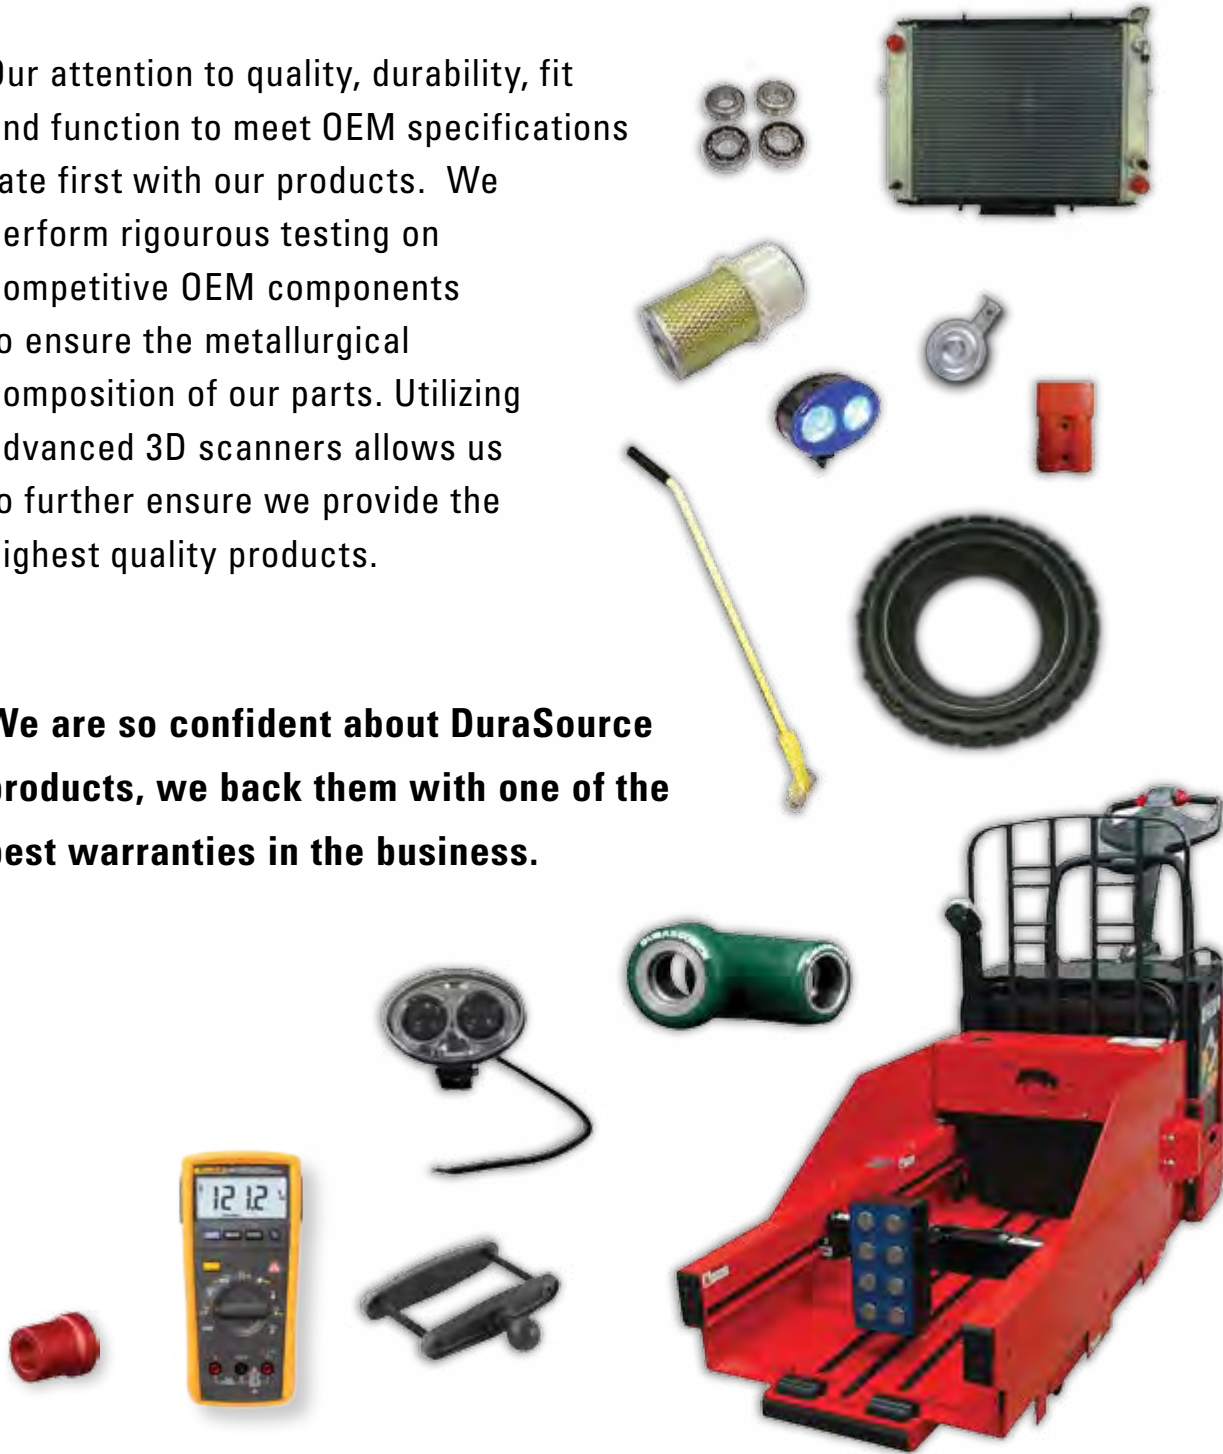

Quality & Integrity

Parts from DuraSource are manufactured with the highest quality materials that meet stringent industry standards and specifications.

Our attention to quality, durability, fit and function to meet OEM specifications rate first with our products. We perform rigorous testing on competitive OEM components to ensure the metallurgical composition of our parts. Utilizing advanced 3D scanners allows us to further ensure we provide the highest quality products.

We are so confident about DuraSource products, we back them with one of the best warranties in the business.

WHY DURASOURCE?

When you purchase DuraSource, you don't just get products. You get answers to problems. We look at your business and recommend solutions based on your unique needs. Choosing DuraSource means working with sales and service professionals who represent the strongest material handling solutions. DuraSource products are built tough to work tough, so your business can keep moving.
